Account Ordering Online

To facilitate school ordering on account, you can instantly change our website prices to ex vat. If you always want to shop ex vat, login to your account and change your preferences. This means each time you login, ex vat pricing will appear automatically. To order online and be invoiced on delivery of your goods (no credit card required), please choose your items; proceed to checkout, select 'on account' as your payment method and submit your order. We'll email you once your account has been approved for online account ordering and to tell you your goods are on their way. It's that easy! Postage to UK and EU is FREE

This includes FREE second class postage to the Channel Islands and Gibraltar. Please use ex vat prices on your orders. For orders to the rest of the world, please add 20% to ex vat prices: Whilst VAT is not payable, an equivalent amount is needed for post and packaging.
